# Novena to Saint Anne

O Saint Anne,
you had the joy
of carrying in your womb
the Immaculate Daughter,
the woman chosen by God
as the cradle of the Mystery:
your motherhood
was the crossroads of Salvation.

O Saint Anne,
may your intercession,
unite with that of Mary,
your Daughter,
to obtain the gift of seeing
the Creator's smile in the eyes
of every man and woman
and to feel the blessing
of the Eternal.

O Saint Anne,
gather the supplication
of all women,
the expectation of wives,
the hope of mothers and,
together with Mary,
deliver to Jesus
the invocation of a new Pentecost
to rediscover divine love
in human love.

Saint Anne, blessed wife,
mother and grandmother,
pray for us, pray for our parish
and for all the families of the world! Amen.
